Former students who have been away from the University for one semester or more must complete and submit an Application for Re-Entry to the Records Office. A cumulative grade point average of 2.00 on a 4.00 scale is the minimum requirement for satisfactory academic performance. Students who do not satisfy the minimum requirement will be admitted to the University on probation. Students who are admitted on probation must maintain a grade point average of 2.00 or better during the first semester/term of re-enrollment to be eligible for continued enrollment.

OFFICIAL TRANSCRIPTS

Transcripts from all colleges and/or universities attended during the away period are required and must be submitted directly to the Record's Office from the issuing institution prior to application review.

REQUEST FOR EXTENSION

A student who was in good academic standing prior to the away period and who missed only one semester/term of the current academic year, may request an extension, however, all official transcripts must be submitted to the Admissions Office by the end of the first semester/term of re-enrollment. A student may not register for another semester/term until official transcripts have been submitted. If transcripts are not received by the end of the extension period, transcripts will not be released.

HEALTH REQUIREMENTS
